

# Exam Day Departure

## Chedabucto Place - Exam Day Departure (Permission Slip)

All Grade 9 - 12 students require permission to leave school premises after examinations. **Please note, the existing form to leave premises (done Sept) does not include permission for exam departures.** Students without permission to leave and not in study area at 12:30, will be assumed to be skipping and, as per policy, will receive a **1 day in-school suspension**. Students are assigned to the study area unless meeting a specific teacher. Students who sign out of the school following their exam are not permitted to use the bus for their transportation home. (Ex. If a student has permission to leave school grounds following their exams and go to the CLC they are not permitted to travel home on the bus that day.)
